

# STUDENTS AS PARTNERS

## Report Card 2021

### WHAT IS STUDENTS AS PARTNERS?

Students as Partners is a way of working that brings staff and students into decision-making at the university through shared governance, design, delivery and evaluation processes.

#### STUDENTS AS PARTNERS PRINCIPLES

**Leadership and Career Development**

**Authenticity**

**Closing the Loop**

**Transparency**

**Challenging the Status Quo**

#### GOALS OF STUDENTS AS PARTNERS AT CURTIN

To promote a receptive and accessible institutional culture which encourages and values the student voice.

To actively encourage students to engage in and contribute to the inclusive education and research experience and the advancement of knowledge and extracurricular activities.

To foster strong, supported and effective student leaders.
